

## E-Switch, Inc

### 1. Toxic Substances Control Act (TSCA)

The Toxic Substances Control Act (TSCA) is a US federal chemicals management regulation. Multiple sections of TSCA outline substances and substance groups that are restricted and/or reportable based on their properties, posing unreasonable risk to humans and the environment, as identified by the EPA. Some of the chemicals with restrictions can be used in certain scopes or with applicable exemptions. This declaration indicates whether a TSCA restricted substance is contained or not contained, without consideration of thresholds. The Declarable Substance List is available for download from the Assent platform.

### 2. Regulatory/Declarable Substance List (DSL) version

Insert date of regulatory version or latest update you are declaring against

## 1. Toxic Substances Control Act (TSCA)

The Toxic Substances Control Act (TSCA) is a US federal chemicals management regulation. Multiple sections of TSCA outline substances and substance groups that are restricted and/or reportable based on their properties, posing unreasonable risk to humans and the environment, as identified by the EPA. Some of the chemicals with restrictions can be used in certain scopes or with applicable exemptions. This declaration indicates whether a TSCA restricted substance is contained or not contained, without consideration of thresholds. The Declarable Substance List is available for download from the Assent platform.

## 2. Regulatory/Declarable Substance List (DSL) version

Insert date of regulatory version or latest update you are declaring against

Regulation/DSL version	DEC/2024
------------------------	----------

## 3. Scope of declaration

This declaration applies to the following (select one):

- All Products sold or otherwise placed on the market by **E-Switch**
- Specific product(s) listed in the table below

This declaration remains valid unless material changes to the product(s) occur, of which customers will be notified, or until declaration is updated in response to changes in applicable regulation(s) and materials.

## 4. Compliance Status (declaration)

Select as appropriate:

- ALL products DO NOT contain TSCA restricted substances

**OR**

- Product(s) compliance status as listed in table 1

Product(s)	DOES contain	Does NOT contain	Substance Name/Group	CAS/EC Number	Concentration (%)	Exemption
<i>Example123</i>	X		<i>Lead</i>	<i>7439-92-1</i>	<i>1</i>	<i>Lead not used in paint</i>
<i>Example456</i>		X				
PS, RP3502, RP3508, RR3112, RR3130, RR3402 & RR3405	X			7439-92-1		Copper alloy containing up to 4% lead by weight
